Next Extinct Mammal Rubén Quesada 2011 Poetry. Latino/Latina Studies. LGBT Studies. "Like Whitman, Quesada is a poet of motion—journeying to the center of the US, where the traditions and innovations of first-generation Americans traverse the meditative starbursts of hills; ford rivers; cross prairies; and seek out 'the

alpenglow of tomorrow and tomorrow.' From Costa Rica to Los Angeles and across the continent, Quesada's poems chronicle one family's history: from the courtship of his parents to their separation, from his childhood struggles to awakening desire from his mother's lottery winnings to his own personal losses, Ruben Quesada carries us toward 'that seam in space' where dream and experience intersect. This isn't the story of what it means to come to this country. It's the story of what it means to belong here"—D. A. Powell.

Album Produced By... Bruce Kimmel 2012-03-01 Just as Frank Sinatra had an additional and invaluable career as the great preservationist and evangelist of the American popular song (with particular focus on the Lost and Found), so author-actor-singer-director Bruce Kimmel has additionally served the cause of Broadway and Hollywood beyond measure, producing some of the most memorable vocalists of our time in recordings that give new life to music that might otherwise be forgotten, while renewing and revitalizing the theatrical canon with his impeccable taste and unerring musicality. In his usual engaging and endearing style, he at last gives us a first-hand view of his process. For this terrific chronicle, and for his immeasurable contribution to musical theatre, we can only give our most inadequate thanks. -Rupert Holmes, Tony and Edgar award-winning playwright and novelist Bruce Kimmel's rollicking memoir, There's Mel, There's Woody, and There's You, left his fans begging for more. Thankfully, the theatre gods are kind and answered our prayers. Actor, director, composer, playwright, novelist, film-maker...and good at all of them, Kimmel has reinvented himself more times than Madonna and had more lives than a cat. In Album Produced by..., he now shape-shifts into what may be his greatest theatrical incarnation-as the foremost album producer of theatre music in the last twenty-five years.

Through time and labels, his amazing career fluctuates with more highs and lows than the sliding dials on a soundboard and is sweetened with the usual Kimmel witlaced raconteurism. Whether working with the greats (Carol Channing, Lauren Bacall, Dorothy Louden, Ann-Margret, to name a few) or promoting and often discovering the next big musical stars of Broadway, our intrepid hero battles less-than-visionary bosses, broken promises, harried orchestrators, enraged engineers, the occasional disgruntled diva, and the mysterious crooner, Guy Haines. But he manages to defeat all obstacles and egos in his way, emerging triumphant to dance in divine syncopation with the glorious music he creates. To know the stories behind all those wonderful albums is to listen to them with fresh ears and a new appreciation of the talent, tears, and genius that went into them. - Charles Edward Pogue, screenwriter of *Dragonheart*, *DOA*, & *The Fly*

Complete Works of Nostradamus Nostradamus 2019-09-04

Greetings and happiness to César Nostradamus my son Your late arrival, César Nostredame, my son, has made me spend much time in constant nightly reflection so that I could communicate with you by letter and leave you this reminder, after my death, for the benefit of all men, of which the divine spirit has vouchsafed me to know by means of astronomy. And since it was the Almighty's will that you were not born here in this region [Provence] and I do not want to talk of years to come but of the

months during which you will struggle to grasp and understand the work I shall be compelled to leave you after my death: assuming that it will not be possible for me to leave you such [clearer] writing as may be destroyed through the injustice of the age [1555]. The key to the hidden prediction which you will inherit will be locked inside my heart. Also bear in mind that the events here described have not yet come to pass, and that all is ruled and governed by the power of Almighty God, inspiring us not by bacchic frenzy nor by enchantments but by astronomical assurances: predictions have been made through the inspiration of divine will alone and the spirit of prophecy in particular. On numerous occasions and over a long period of time I have predicted specific events far in advance, attributing all to the workings of divine power and inspiration, together with other fortunate or unfortunate happenings, foreseen in their full unexpectedness, which have already come to pass in various regions of the earth. Yet I have wished to remain silent and abandon my work because of the injustice not only of the present time [the Inquisition] but also for most of the future. I will not commit to writing. Since governments, sects and countries will undergo such sweeping changes, diametrically opposed to what now obtains, that were I to relate events to come, those in power now - monarchs, leaders of sects and religions - would find these so different

Blueprint for Black Power Amos N. Wilson 1998 Afrikan life into the coming millennia is imperiled by White and Asian power. True power must nest in the ownership of the real estate wherever Afrikan people dwell. Economic destiny determines biological destiny. 'Blueprint for Black Power' details a master plan for the power

revolution necessary for Black survival in the 21st century. White treatment of Afrikan Americans, despite a myriad of theories explaining White behavior, ultimately rests on the fact that they can. They possess the power to do so. Such a power differential must be neutralized if Blacks are to prosper in the 21st century ... Aptly titled, 'Blueprint for Black Power' stops not at critique but prescribes radical, practical theories, frameworks and approaches for true power. It gives a biting look into Black potentiality.
