The Sorrows of Satan, Or, The Strange Experience of One Geoffrey Tempest, Millionaire ; a Romance-Marie Corelli 2007-12 When the Devil arrives in fin de siècle London in the form of the handsome and charming Prince Lucio Rimanez, his work promises to be easy. After all, in a world where science and materialism have replaced a belief in God, who will suspect Lucio of being Satan in disguise? Lucio sets his sights on Geoffrey Tempest, a starving novelist who has just inherited a fortune, and promises to guide him to power and fame. As the tragic story of Geoffrey's meteoric rise and fall unfolds, Marie Corelli lays bare the hypocrisy, immorality, and irreligiousness of modern life, satire which is as fresh and relevant today as ever. "The Sorrows of Satan" (1895) is Corelli's masterpiece and the novel where her views on religion and society find their clearest and fullest expression. And on another level it is a savage and bitter riposte to her critics, who had vilified her previous novel, "Barabbas"(1893). Marie Corelli (1855-1924) was one of the most popular and best-selling novelists of the late Victorian period, her books selling in the millions of copies worldwide. Although she saw herself as a female Shakespeare, critics have tended largely to dismiss her as a popular hack. This new edition of her most powerful novel allows twenty-first century readers to rediscover and reevaluate this fascinating writer. The Valancourt Books edition of "The Sorrows of Satan" includes the unabridged text of the first edition as well as a new introduction and notes by Julia Kuehn and an appendix containing rare contemporary reviews of Corelli's works.

Reinventing Marie Corelli for the Twenty-First Century-Brenda Ayres 2019-04-30 Novelist Marie Corelli was extremely popular at the turn of the century, so much so that J. M. Stuart-Young complained about the 'Corelli Cult'. Corelli broke all sales records during the 30 years of her publishing. Her books have enjoyed a resurgence of interest over the past two decades for various reasons but ostensibly due to their challenge to gender constrictions. Corelli's perception of gender and her gender demeanor were complicated and mercurial. Speculation that she was transgendered, a deduction drawn from her writing and from her having lived in an intimate relationship with Bertha Vyver for 64 years, makes her a person of interest today. Additionally, her 30 novels, short stories and essays are all in print and they reflect a myriad of themes and experiences as relevant today, if not more so, than during the late Victorian period. So far, other than a special issue of 'Women's Writing' in 2006, no collection of essays on Corelli has been published. 'Reinventing Marie Corelli for the Twenty-First Century' is the first to remedy that, prompted by her current popularity, a desire to introduce her to a new generation and to instigate critical inquiry that will offer an appreciation for her themes, style and historical place in the literary canon.

Boy-Marie Corelli 1900 "A novel which starts with the careless and neglectful upbringing of a young 'Boy' by his parents, the drunken Captain D'Arcy Muir and his lazy and unintelligent wife. Fortunately, the 'Boy' is doted on and gets some attention from the kindly Miss Leslie and her companion, The Major. The Muirs first send 'Boy' to school in Brittany, and then to an English Military School where he grows into a slim and awkward youth, indifferent and blase. 'Boy' passes into Sandhurst but is expelled for drunkenness. He then falls into bad company and runs up debts, and even defrauds Miss Leslie by altering a cheque she has sent him. Repentant and ashamed, he enlists in the Army, is sent to the Boer War, and is killed in action saving the life of a boyhood friend"----

Idol of Suburbia-Annette Federico 2000 Despite the ridicule of reviewers, Marie Corelli (1855-1924) was the most popular novelist of her time. Federico (English, James Madison University) points out the creative, combative and contradictory nature of Corelli's participation in the culture, and argues that her attempts to create her own image illuminate continuing debates about literary value, class hegemony, and gender politics. The Sorrows of Satan; Novel by Marie Corelli-Marie Corelli 2016-03-11 The Sorrows of Satan was one of the first modern bestsellers and was influential in establishing some of the major trends in twentieth-century bestselling fiction. The setting is London, 1895, and the Devil is on the loose. He is searching for someone morally strong enough to resist temptation, but there seems little chance he will succeed. Britain is all but totally corrupt. The aristocracy is financially and spiritually bankrupt; church leaders no longer believe in God; Victorian idealism has been banished from literature and life; and sexual morality is being undermined by the pernicious doctrines of the "New Woman." Everything and everyone is up for sale, and it takes a special kind of moral courage to resist

the Devil's seductions.

The Female Fantastic-Lizzie Harris McCormick 2018-08-06 For women-identified writers of both eras, the fantastic offered double vision. Not only did the genre offer strategic cover for challenging the status quo, but also a heuristic mechanism for teasing out the gendered psyche's links to creative, personal, and erotic agency. These dynamic presentations of female and gender-queer subjectivity, are linked in intriguing and complex matrices to key moments in gender(ed) history. This volume contains essays from international scholars covering a wide range of topics, including werewolves, mummies, fairies, demons, time travel, ghosts, haunted spaces and objects, race, gender, queerness, monstrosity, madness, incest, empire, medicine, and science. By interrogating two non-consecutive decades, we seek to uncover the inter-relationships among fantastic literature, feminism, and modern identity and culture. Indeed, while this book considers the relationship between the 1890s and 1920s, it is more an examination of women's modernism in light of gendered literary production during the fin-de-siècle than the reverse.

The Mysterious Miss Marie Corelli-Teresa Ransom 1999 Marie Corelli dined with the Prince of Wales, entertained Sarah Bernhardt and split Stratford into warring factions, but she seems to have invented her own past. The bestselling novelist of her age, she blazed into fame from nothing.

The Sorrows of Satan-Marie Corelli 2021-03-08 The Sorrows of Satan is a 1895 faustian novel by Marie Corelli. It is broadly viewed as one of the world's first successes, somewhat because of a disturbance in the framework British libraries used to buy their books and mostly because of its well known allure. Entirely denounced by pundits for Corelli's moralistic and trite style it in any case had solid allies in Oscar Wilde and different individuals from sovereignty. Generally disregarded in abstract circles, it is progressively viewed as a persuasive balance de siècle text. The book is sometimes captioned "Or the Strange Experience of one Geoffrey Tempest, Millionaire".

Degeneration, Normativity and the Gothic at the Fin de Siècle-S. Karschay 2015-01-06 This exciting new study looks at degeneration and deviance in nineteenth-century science and late-Victorian Gothic fiction. The questions it raises are as relevant today as they were at the nineteenth century's fin de siècle: What constitutes the norm from which a deviation has occurred? What exactly does it mean to be 'normal' or 'abnormal'?

A Companion to D. W. Griffith-Charles Keil 2018-02-05 The most comprehensive volume on one of the most controversial directors in American film history A Companion to D.W. Griffith offers an exhaustive look at the first acknowledged auteur of the cinema and provides an authoritative account of the director's life, work, and lasting filmic legacy. With the renewed interest in Griffith's contributions to the film industry, A Companion to D.W. Griffith offers a scholarly look at a career that spanned more than 25 years. The editor, a leading scholar on D.W. Griffith, and the expert contributors collectively offer a unique account of one of the monumental figures in film studies.
