10 Rules for a Successful Second Marriage

Sep 23, 2016 · While many couples see remarriage as a second chance at happiness, the statistics tell a different story. According to available Census data, the divorce rate for second marriages in the United States is over 60% compared to around 50% for first marriages.. Why are second marriages more likely to fail?. One explanation is the formation of blended families, which can cause loyalty issues with

5. Equity Theory - PSYCH 484: Work Attitudes and Job

Equity Theory can be broken down into four basic propositions (Huseman, Hatfield, & Miles, 1987). 1. Individuals develop their perception of fairness by calculating a ratio of their inputs and outcomes and then comparing this to the ratio of others (Huseman, et. al., 1987). For example, an individual may not perceive he is being treated fairly
